

**Melia Watras: Luminous Points for violin solo (2013)**

World Premiere:

Michael Jinsoo Lim, violin; January 13, 2014, Seattle, WA

Duration: 4:53

Program Notes:

I began with the image of a mysterious, secret garden, where the night sky, brilliantly studded with unending stars, is reflected in a pond. The sky becomes the water and the water the sky.

I wrote *Luminous Points* for violinist Michael Jinsoo Lim, hoping to imbue the work with his gentle character and molto dolce E string playing.
